

Vinyl Low Powder Clear Disposable Gloves

**Latex Free | Non-Sterile | Single Use Only
Ambidextrous | Medical grade**

Puregiene Disposable Vinyl Gloves combine dexterity and comfort while providing an effective barrier against dirt during lightweight tasks.

LATEX & LOW POWDER: Latex-free for people with sensitive skin. Low powder leaves no residue on hands and helps reduce irritation.

COMFORTABLE FIT: Lighter and softer than standard vinyl gloves with a rolled cuff for easy opening, quick donning, and removal. Ambidextrous design allows each glove to comfortably fit on either hand.

MULTIPURPOSE USE: Ideal for applications which require frequent glove changes including, industrial use, food preparation, household cleaning, repairs, painting, beauty & salon, pet care, and more. Non-sterilized.

GLOVE SIZES: They are available in Small, medium and large. Each box comes with 100 disposable vinyl low powder gloves.

The Puregiene Glove Range is covered by the following standards: TGA (Australia), MDSAP.
